6th FEZA Prize for Ph.D. work in zeolites or related materials

The 6th FEZA PhD prize will be given for the highest quality publications arising from research carried out at Ph.D. level into zeolites and related materials. The candidates will submit articles (in an electronic form) published between January 1st, 2011 and December 31st, 2013, to the FEZA secretary.

Prize

The prize will take the form of a certificate and a free registration at the 6th FEZA Conference (Leipzig, Germany, September 8-11, 2014). The prize winner will present a lecture at the Conference.

To Apply

File of up to two research articles should be received by the FEZA Secretary no later than April 30th, 2014. A letter from the supervisor of the research should be enclosed confirming that the publications were based on Ph.D. work. Publications will be judged by the FEZA Committee and the winning entrant will be informed by May 31st, 2014

Please, send applications by e-mail to:

Prof. Fernando Rey, Instituto de Tecnologia Quimica, Valencia, Spain
